ABOUT ME

A dedicated BCA student with strong problem-solving skills and expertise in JavaScript, C, and web development. Passionate about learning and innovation, I thrive in fast-paced environments. I aim to contribute effectively to the tech industry by building scalable and efficient solutions while continuously improving my technical skills.

EDUCATION

2022 - 2025
Mewar Institute of Management

Bachelor of Computer Applications (BCA)
Currently in my third year, building expertise in programming, database management, and web development. Expected Graduation: June 2025

2020 - 2022
BSRK Inter college

Senior Secondary (12th Grade, PCM)
Completed 12th with 70.4% marks, focusing on Physics Chemistry and Mathematics.

PROJECTS
